Hologram™

WONDERFUL™
SPECIALTY THREADS

ABOUT

Hologram™ is a slitted polyester thread with 3D holographic qualities. It is available in 8 colors in 300m (328yd) spools.

APPLICATIONS

Use Hologram™ in sewing machines and midarm machines for embroidery, decorative quilting, built-in decorative stitches, thread painting, 3D embellishment effects.

SPOOL POSITION:

Do not use a horizontal spool pin. For optimum results, use on a vertical spool pin or on the horizontal pin of a Thread Tamer™.
